Property description

In Wolfhalden, a modern industrial and commercial property is offered for rent. Centrally located in the village, the object has a unique view over Lake Constance, is in close proximity to the Austrian and German border and lies within minutes to the airport Altenrhein. The property is characterized by a modern and light-flooded office tract as well as by spacious production areas and a state of the art high rack warehouse. Large transport and transshipment areas and existing expansion options complete the outstanding property
