Property description

ArboWerk production halls and offices are part of the "Saurer WerkZwei" in Arbon, Thurgau, and located in close proximity to the lake Constance. ArboWerk offers:

- Fully equipped industrial spaces
- Sophisticated technical infrastructure
- Incl. suspension and pillar-mounted cranes with lifting capacity of 10t
- Meeting rooms, sanitary rooms (incl. showers)
- Open, ample floor plan
- High ceilings
- Offices have lots of natural light
- Ground floor is accessible for trucks
- Excellent for deliveries, easily accessible location

ArboWerk's unique and diverse infrastructure makes this property ideal for trade, production, storage, logistics, service providers, offices, studios, as well as for sports, events and recreational use.
