### Property description

Traditional and modern – the business center „Schotzebischelis“ offers a synthesis of both at its location in the Canton of Appenzell Inner Rhodes. With the majestic backdrop of surrounding hills and mountains, companies can focus on their core business goals, center new ideas and let their creativity flow freely.

A 1'800 m<sup>2</sup> floor plan assembles attractive spaces in this state-of-the-art business center – for established companies and startups alike. In addition to the fully equipped office spaces tenants are offered a wide-ranging service package, as well as office sharing options.

Further information about floor plans and prices are available upon request:
