Property description

The new business park workspace II is located just 30 minutes away from Zurich Airport, two minutes from the Matzingen / Aadorf freeway exit (Zürich-St.Gallen freeway). The property offers the possibility of combining logistics, storage, practice, workshop or production areas with offices. There will be a basement with an underground car park and storage rooms, a ground floor with freely divisible industrial areas, two upper floors and an attic. The inner courtyard can be used as a meeting and exchange zone. Outside, a gravelled storage area of 1,500 m² will be created.
